

Easier integration with our new plugins

Help your clients take payments
seamlessly and quickly with our
Smartpay Fuse integration

The payment part is just the start

More simplicity, more speed

Integrate more easily

Our new range of plugins makes it quick and easy to connect our Smartpay Fuse payment gateway to a wide variety of major eCommerce platforms, including SAP, Salesforce, Magento and Prestashop.

Reassuring partnerships

Get your clients taking payments online faster with our seamless and secure payment gateway integrations – in partnership with Cybersource and platform providers.

Support and expertise

We help keep your clients informed with our broad view of the payment landscape, the knowledge of our technical payment experts and data-driven transaction insight.

Security and protection

Smartpay Fuse can help your clients comply with the latest PSD2 regulations to protect customers' transactions. Our real-time fraud tools give instant transaction decisions, helping to reduce chargebacks and false positives.*

Improve customer experiences

Smartpay Fuse plugins help you deliver an easy, frictionless payment experience, letting consumers pay quickly and securely. This in turn helps to reduce basket abandonment and encourages repeat sales.
