# Logging in to Corporate Online Servicing

barclaycard

To log in to your Corporate online servicing accounts, you'll need your **PINsentry card reader** and your **Barclaycard Commercial card** or **Authentication card**.

● Start by heading over to barclaycard.co.uk/business

● **Log in** with the button in the top-right corner. (If you're accessing Centresuite or Precisionpay, go to the page you normally use to log in.)

We need to make sure it's really you before you log in.

Please log in with your PINsentry card reader following these steps.

1. Enter the last **4 digits** of your card
   7890

2. Insert your card into the PINsentry card reader and press **IDENTIFY**

3. Type in your 4-digit card PIN and press **ENTER**
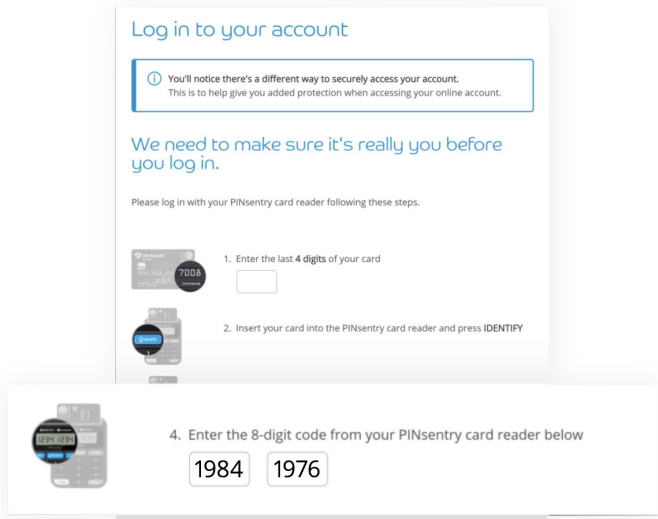

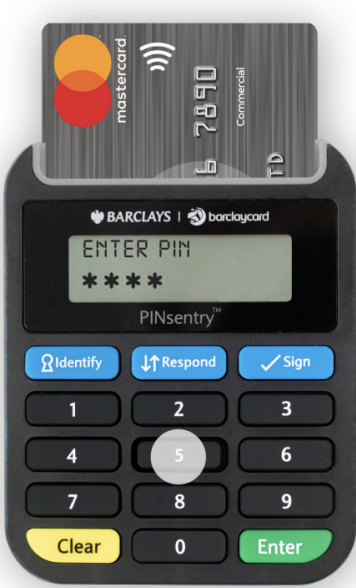

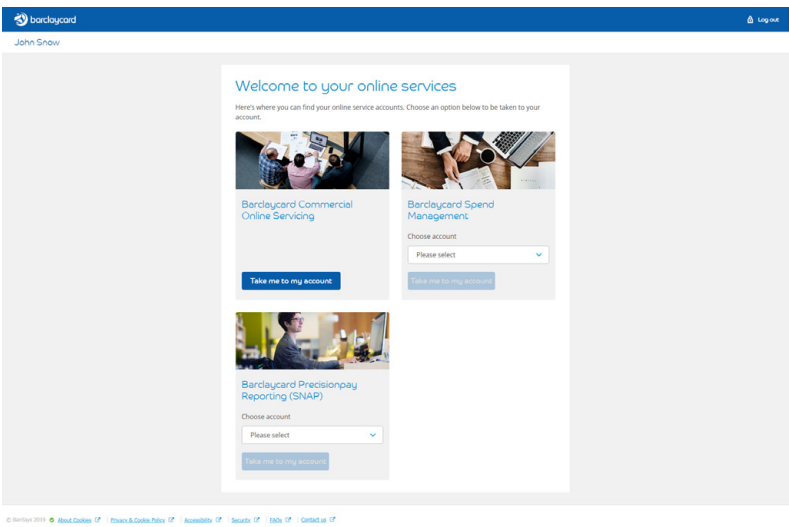

4. Enter the 8-digit code from your PINsentry card reader below

● Start by entering the last four digits of your card into the box on the login screen.

● Now insert your Barclaycard Commercial card or Authentication card in the card slot, chip-end first. Then press **Identify**.
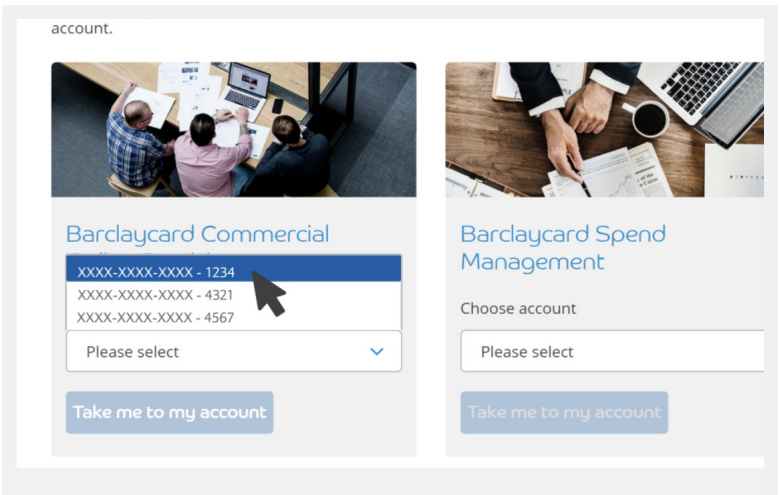

barclaycard

● Tap in your card's four-digit PIN and press **Enter**.

● Your card reader will now show you an eight-digit code, which will only be valid for a few minutes, so enter it straight away.

● Enter the eight-digit code in the box on the verification screen and hit **Submit**.

● If this is the first time you've logged in, you'll also be asked to enter your email address and mobile number. This will also allow you to use your email address to log in in the future.

You're now logged in and you can choose the platform you'd like to visit by hitting **Take me to my account**.

If you have more than one account on any of the platforms you have access to, you can choose the one you want using the dropdown menu. Select your chosen account and then press **Take me to my account** to access it.

You'll now have access to service your account online. If you're having trouble logging into your account, please contact us on **0800 008 008** or **+44 (0) 1604 269 452** from abroad.
