

Promotional Cashback Offer terms and conditions

Introduction and definitions

- 1) This document sets out the terms and conditions (the 'Rules') for the promotional Cashback award for new Barclaycard Select Cashback Credit Card customers who apply **between 14 December 2023 and 2 April 2024, where the account is opened by 30 April 2024**.
- 2) Barclaycard Select Cashback Credit Card customers can earn **an extra 1%** cashback on all 'Eligible Spend' for the first three statement months from the account being opened by Barclaycard. Doubling the cashback rate you can earn from 1% to 2% for this period.
- 3) By 'Eligible Spend', we mean any card purchases made that you or an additional cardholder make within the first three statement months from opening an account with us (the 'Qualifying Period'). Unless we tell you otherwise, Eligible Spend excludes purchases that are subsequently returned or refunded, balance transfers, cash-like transactions, cash withdrawals, cheque purchases, insurance premiums, interest, default charges and other fees and charges.

How do we calculate your promotional Cashback award?

- 4) Your promotional Cashback award will be calculated according to the amount of Eligible Spend you make in the first three statement months from account opening. This amount is then rounded down to the nearest pound.

How will you receive your promotional Cashback award?

- 5) We will credit your account with the value of your additional 1% promotional cashback on your 5th statement month. This will appear on your statement as 'Promotional Cashback'. Your account must be open at the time when the payment is to be made.
- 6) The value of your standard monthly 1% Cashback award will continue to be paid into your account in accordance with your Cashback terms and conditions.

Cancelling cashback

- 7) To benefit from your promotional Cashback award, you must comply with your Barclaycard Conditions (the 'Conditions') and meet the requirements as set out in these Rules. We reserve the right to cancel any cashback due to you if:
 - (a) You breach your Conditions at any point during the Qualifying Period. A breach of your Conditions includes a failure to make your monthly minimum payment by the payment due date, exceeding your credit limit or having a cheque, direct debit or other item returned unpaid.
 - (b) Your account is closed, either by you or us, during the Qualifying Period.

Refunds

- 8) If you are given a refund for a purchase, this will be taken into account when calculating the value of your promotional Cashback award.

General

- 9) Barclays does not provide tax advice and if you have any concerns you should seek independent tax or legal advice. You are responsible for the management of your own tax obligations. Any further tax liabilities or applicable filings that arise as a result of a Cashback payment to you are your responsibility.

Changes to these rules

- 10) We may change these Rules or withdraw the Cashback promotion, by giving you notice. If we withdraw the scheme, we will credit you with the amount of the Cashback due to you at the date that the scheme is withdrawn.
